

TSB - DZ01

Models applicable > Deutz DX6.10, DX6.30, DX6.50

Details > with 310mm (Twinplate) cover assembly
Ag Clutch Part Number > 631 3102 DZ

FLYWHEEL REPLACEMENT

631 3102 DZ

In some applications there is a requirement to upgrade to a later style 370mm flywheel to suit the above Luk twinplate cover assembly.

Model serial no's affected are as follows >

DX6.10 prior to serial > 74363117
DX6.10A prior to serial > 74373790
DX6.30 prior to serial > 74383227
DX6.30A prior to serial > 74393929
DX6.50 prior to serial > 74403179
DX6.50A prior to serial > 74413790
(all with powermatic transmission only)

Some of these models had organic version plates fitted in conjunction with a smaller 330mm flywheel (Deutz part number > 2245226)

When fitting this late style ceramic Luk cover and discs, the flywheel must be replaced with 370mm version (Deutz part number > 2249939)
