

## TSB - F02

Models applicable > Ford / NH 5000 > 9000 series  
Ford / NH TW and TS series

Details > with 330mm lever type cover assembly  
Ag Clutch Part Number > 133 0001 FO and 133 0002 FO

### CLUTCH COVER REPLACEMENT

133 0001 FO

133 0002 FO

When fitting the either diaphragm replacement cover assembly above there is no requirement to use cover shims. The cover is specially designed to be used with aftermarket discs having a compressed thickness of 10 > 10.5mm

The latest diaphragm covers now replace the old lever type Lipe, Long and Bord & Beck versions shown below.
